

This is <CALLSIGN> for the V C DRC Net. Is there any emergency or priority traffic on this talkgroup or on timeslot 2 of any of the connected repeaters?

Nothing heard. Good Evening and welcome to this evening's Ventura County Digital Radio Club weekly DMR Net. This is <NAME>, <CALLSIGN> and I will be the net control station for tonight's net. We gather here on the Ventura County Digital Repeater Cluster every Tuesday evening from 7:30 to 8 PM, and on the first Saturday of every month for breakfast in Ventura. Members and visitors are always welcome.

In a moment, I will call the roll, and then ask for any guest or visitor check in's. I'll come back to everyone who checked in for any questions, comments, or words of wisdom they may wish to share.

CLOSING

On behalf of The Club, I would like to thank all of tonight's net participants, and the SysOp's for the use of their repeaters. Coming up at 8 o'clock is the SNARS DMR Net on talkgroup 31328. We hope you will help support our affiliate club by participating in this net also.

This is <CALLSIGN> closing the VCDRC DMR Net at this time, and returning the repeaters to normal operations. Good Evening.
